Exceptional business opportunity at Millenium Business Park

Explore an exceptional business opportunity at Millennium Business Park in Century City. This 4th-floor office space provides easy access through a modern lift. Spanning 89 square meters, the office features laminated flooring, a kitchenette, and a bathroom. The open-plan layout includes a dedicated boardroom and office space for efficient use. The office is equipped with air conditioning, and Millennium Business Park offers backup power for uninterrupted operations. Security is a priority with 24-hour surveillance and access control. Conveniently located, the office is close to public transport, including the MyCiti bus route, and offers easy access to major highways. Additionally, there are various dining options nearby. Establish your business in a prime
