2 Bedroom House For Sale in Melville

Offers from R1 490 000

A south entry, north-facing semi-detached home, tucked away in a quiet street and great position.

The home is perfectly configured to capitalize on the beautiful highveld weather and Koppie setting. It starts with the newly refurbished eat-in kitchen area that flows through to the north-facing lounge and louvered entertainment area.

The lounge with a wood-burning fireplace will care for you through all the seasons.

A manually adjustable canopy controls the light and airflow of the outside entertainment area so that you can fully enjoy the tranquillity this home offers throughout the year.

The best sleep you will ever get.

A master bedroom that identifies as a sound recording studio. It is quiet in there when the doors are closed.

There are two more bedrooms and two bathrooms.
