Continental Class and Comfort

Timeless elegance epitomises this lovely home. The main floor boasts a very spacious bedroom with a gorgeous bathroom en suite, a separate state of the art guest toilet, three generous lounges, a dining area fit for a king, a solid oak recently renovated kitchen, a laundry and a double garage, as well as a covered and enclosed patio. Downstairs you find 2 bedrooms, a bathroom and separate toilet and a one bedroom flat with an en suite bathroom and access to the third garage which can house a boat or caravan. A few steps up from the main floor is the bar and patio with superb views. The well established garden abounds with tall palms, cycads and beautiful flowers and is irrigated from tank water. The security is superb with electric fencing an alarm and CCTV system. Water will never be an issue for this house, there are 4 x 5000...
